The hourly cost shown is related to a service including the transfer, the activation of the system and approximately 50% of the time as shooting time (according to the operational situation, the weather and the customer satisfaction).

In principle the offered service is complete and no additional costs has to be considered. In any case, for a precise estimate or for services that needs processing time, it is required a discussion to identify the best solution.

Service Cost	1h	2h	4h	8h
<i>Setup and preparation</i>	fr. 200	fr. 200	fr. 200	fr. 200
Private service execution	fr. 200	fr. 350	fr. 550	fr. 1'100
Commercial* service execution	fr. 350	fr. 500	fr. 750	fr. 1'400
Extra charge for nocturnal** and holidays	fr. 140	fr. 180	fr. 320	fr. 640

* The commercial service is intended for the realization of a product that will be used through media or in a number of specimens significantly greater than those attributable to personal use. The cases and the limitations of use are regulated in a specific commercial license contract

** The nocturnal service starts from 20 to 06 of the following day
